### **6 Things To Do if you have been in a car accident in Texas.**

**Call for help**, remember that if you have a voice activated phone, you can make a call without dialing.

**Collect evidence**, take pictures of the other driver's license, insurance card, surrounding area, damages, and take note of any security cameras.

**Get medical attention**, seek medical attention for your injuries, do not delay.

**Don't speak with their insurance company**, they do not care about your injuries or loss, they only want to pay you the least amount of money.

**Do not post to social media**, insurance companies will check your social media feeds to use your post against you.

**Contact V Valenzuela Law**, for a free consultation for immediate advice regarding your options. You never pay unless we win.
